**Diane Berania Joins Ananke IT Solutions, Opens California Sales Office**

PROVIDENCE, RHODE ISLAND- January 15, 2010

Ananke IT Solutions announced today the expansion of their sales force with the opening of a Sacramento, California sales office. Diane Berania joins the Ananke team as Vice President of Sales (Western Region) and is responsible for lead development, sales and business development, and increasing Ananke’s client acquisition and revenue goals throughout the Western United States.

“Diane has an outstanding track record of building early-stage companies and accelerating their revenue growth,” says John Conway, President and CEO of Ananke. “Her knowledge of the industry, deep relationships with enterprise clients and the local community, and her proven expertise in building sales teams make her the ideal person to lead our sales effort on the West Coast as we rapidly expand Ananke’s business in 2010.”

Ms. Berania has extensive experience in sales, having spent more than fifteen years working in the information technology, manufacturing, and health care industries. She has held executive positions in sales and business consulting. Diane extensive knowledge of the industry started at Intel Corporation as a Chipset Business Analyst on supply and demand initiatives which resulted in multi-million dollar incremental revenue growth.

**About Ananke IT Solutions**

Ananke is a leading Microsoft Gold Certified Partner and Information Technology Solutions company headquartered in Providence, Rhode Island. Since 1994, Ananke has grown by providing reliable, affordable, high quality professional services, managed services, and staffing services to some of the largest companies in the world.

With a diverse team of seasoned technology experts, Ananke brings a wealth of intellectual property and expertise across all industries with services such as infrastructure architecture, network security management, project implementation, migrations, outsourcing, staffing, helpdesk, datacenter services, and much more.
